PROJECT

MINI PROJECT

- Cyber Bullying

The main agenda of the project is to detect and prevent users from using Immoral/Improper words on the website and the project helps to block the respective users.

- Personal Website

To demonstrate a portfolio of information about me, I have created a personal website using HTML, CSS, and also basics of BOOTSTRAP.

<https://gantedi-rohith.github.io/Grk.io/>

MAJOR PROJECT

- E-Commerce Website

The main agenda of the project is that any Shopkeeper can visit the website and start their business online through the website and upload the things/items they want to sell and based on location it shows how many shops are available related to that location.

EXTRA CO-CURRICULAR ACTIVITIES

- Certificate from "IBM" for Basics of DATA Science
- Certificate from "ShapeAI" (Devtown) for Bootcamp of Web Development.
